With the increasing amount of prescriptions dispensed each year, pharmacists are facing a new dilemma. You need prescription labels, and you need them *now*. With so many medications, packaging and safety requirements in place, the pharmacist needs to seamlessly streamline the process of filling the many prescriptions written each day. **Direct Thermal Labels** provide a quick, dependable way to improve the workflow process in your pharmacy.

- Fast and easy to use
- High quality print
- Reduce hardware maintenance
- Improved turn-around
- Improved customer satisfaction

McKesson Printing Services:

A preferred provider of high-quality printed products for the pharmacy industry, we help you distinguish your pharmacy from the competition. With our assistance, you can create a personalized, professional image with high-quality printed products essential to pharmacy operations.

McKesson Printing Services offers a wide range of products, with experience and customer service uncommon in our industry. Our focus is entirely on the needs of your pharmacy and printing services you require.
