## Benefits

**McKesson Printing Services can help your pharmacy create and maintain a unique identity and quality image. We ensure this by providing you with high quality, customizable products.**

- Prescription labels and bags – select from a multitude of label styles that can include your pharmacy logo and a creative tag line
- Patient Information Leaflets (PILs) and combo labels – customizable by allowing you to offer coupons, advertisements or the promotion of other store locations on the back
- System maintenance and cleaning kits – properly maintaining your equipment will not only ensure printing quality, but it will also help extend the life of your equipment
- Business forms - Account Receivable statements & envelopes, long-term care forms, universal signature logs, etc.
- Computer supplies – laser cartridges, back-up tapes, prescription pads, etc.
- Annually processes more than 100 million labels
- Assists you in meeting state mandated label requirements while ensuring a quality look
- Can provide you with customized or standard labels
- Offers quick turn-around time with products delivered to your door in as little as two business days
- Best-in-class products and support

**“McKesson Printing Services is like my own personal marketing department. They are able to customize my products with my own logo and tagline which helps me compete more effectively with chains. I value the service that McKesson Printing Services supplies since I don’t have the time or the creativity to do this on my own.”**
