

McKesson Supply Chain Management™

Using iPad® tablets for McKesson Supply Chain Management™

Presented by Dale Knepp
MMIS Manager St. Luke's
University Health Network

InSight 2012 Conference

McKesson Supply Chain Management™

To meet the growing need for mobile supply chain solutions, McKesson Supply Chain Management™ can be successfully used with mobile solutions such as tablets and phones, especially important to help manage par levels and support physical inventory processes.

Requirements and Set Up

Reasons for Use of iPad® tablets

- Cost
- Availability of Information

Requirements to Use iPad® tablets

- System requirement
- Connectivity
