

Kevin Kettler

President, Prescription Technology Solutions

Kevin Kettler is President of Prescription Technology Solutions for McKesson Corporation. As a member of the Executive Operating Team, Kevin is responsible for providing leadership and strategic direction for McKesson's CoverMyMeds business. CoverMyMeds works across the healthcare delivery system to connect pharmacies, providers, health plans and biopharmaceutical companies with next-generation medications and access, adherence and affordability solutions that help people get the medicine they need to live healthier lives.

Kevin joined McKesson in 2005 and has held a variety of leadership roles at the company. Most recently, as President of McKesson International, Kevin was responsible for leading the company's businesses in 13 European countries and non-U.S.-based drug distribution services, specialty pharmacy, retail and infusion care services. Kevin's tenure at McKesson also includes serving as President of McKesson Global Procurement and Sourcing in London, Senior Vice President of marketing for U.S. Pharmaceutical and Senior Vice President of Corporate Strategy and Business Development. Prior, Kevin had product marketing, product management, consulting and operations roles in various technology and healthcare companies.

Kevin holds a Bachelor of Science in Mechanical Engineering from the University of Notre Dame and a Master of Business Administration from the University of North Carolina, Chapel Hill.

McKesson Corporation is a diversified healthcare services leader dedicated to advancing health outcomes for patients everywhere. Our teams partner with biopharma companies, care providers, pharmacies, manufacturers, governments, and others to deliver insights, products and services to help make quality care more accessible and affordable.
